

## Brenda - Waskada Highlights

Visitors who want to see more and know more about Waskada and area should take note of the Vantage Points Local History Resources Binder.

### Turtle Mountain Coal Mining

During the 1930s the Salter and Henderson operations, (Also known as the Nestibo Mines) produced 95% of Manitoba's coal over a span of about eight years.

The site is on private land and unmarked, but a Commemorative Plaque is located at the site of the nearby Deep Ravine Mine, on the west side of Highway 21 at Road 4.

N49.05857, W100.55626

### Waskada Park

Charles Sankey was a dedicated community worker, who was the driving force behind the creation of this park in the early 1900's

### Goodlands United Church & Goodlands Heritage Park

Built for a Methodist congregation in 1902.

Goodlands Heritage Park features a covered display of painted murals depicting the village in its heyday, along with the original bell from Lennox School No. 317.

### Napinka School

Built in 1900 from locally acquired field stones, assembled under the supervision of stonemason I. J. Phinney.
